***Lighthouse Works Shines A Light For Those Living With
Sight Impairment***

OCTOBER 14, 2021

Lighthouse Works is Central Florida's only private, non-profit agency offering services to people living with sight impairment in Orange, Osceola, and Seminole Counties.

Listen to Mike Fox, who is legally blind and a software developer, talk about Lighthouse Works and the increasing number of lawsuits alleging that websites, apps, and digital videos are inaccessible to people with disabilities.
